TO: Mr. Thomas Latimer, Staff Director
Permanent Select Committee on Intelligence
House of Representatives

Dear Mr. Latimer:

Enclosed is a copy of all National Intelligence Dailys issued on and between 19-26 May 1978.

You will note each issue carries a volume and number designation. The volume, 5 in this case, refers to the publication year, which started in 1973 when the NID was first published. The numbering is in sequence from the beginning of each new calendar year. Although May 19 is the 139th calendar day of 1978, it is the 117th issue day because the NID is not issued on Sundays or holidays and there were 20 Sundays and 2 holidays (New Year's and George Washington's birthday) in 1978, prior to 19 May 1978.
